

MyOn Information – Year 8, 9 and 10

Just a reminder about the reading capabilities your son/daughter has during the college closure. We now have an online platforms to assist reading called My On. This platform will help to ensure your son/daughter makes progress with their reading and literacy even during this difficult time. MyOn lets you access thousands of whole books online and we have set each year group a reading list for this half term which has been emailed out. We are also launching projects for every subject on MyOn to develop knowledge and cement learning.

The details of how to access the site and the usernames/passwords required are below. However, if you still struggle to access or use the platform please contact your son/daughters Form Tutor in the first instance or Mr Brown at rbrown@hightunstall.hartlepool.sch.uk

How to Access MyOn

Step 1: <https://www.myon.co.uk/login> -follow this link.

Step 2: Type 'High...' in the School Name box and select our school when it appears.

Step 3: Your username is your FULL EMAIL ADDRESS for college.

Step 4: Your password is Reading20 [with a capital R]
