Inspire | Support | Achieve

Headteacher: Mark R Tilling

Deputy Headteachers: Peter W Hayward and Laura Ovens

27<sup>th</sup> March 2020

MTI/SPR/MLS

Dear Student

Thank you for choosing High Tunstall College of Science for your secondary education. We cannot wait to meet you and get to know your strengths and areas that you wish to develop with us.

We are living through an unprecedented time; I would like to reassure you that we will be keeping in touch as much as we can over the coming months. If you want to follow our news, share or take part with High Tunstall community, ask your parents to follow us on any of our social media platforms listed below. However you must remember the most important thing to do now is for you to stay safe and look after your families, we all need to work together to get through this period.

I am sure you have been given lots of work by your school. It is vital that you try and keep going with your work so that you do not fall behind others if you do this then you will be ready to come to secondary school in September. We are always here to help and support as much as we can when things return to normal, which they will. Then we will be busy with our preparation for your transition to our college.

You may be wondering what we are going to do about Uniform and PE kit, please do not worry, once we are allowed to go out in public we will make contact with your Parent/Carers and have your new uniform organised quickly.

Take care, stay safe and I look forward to seeing you soon.

Yours sincerely,

**Mr M Tilling**
