

## CCTV Privacy Notice

*This privacy notice has been written to inform members of the public, parents/carers, students and staff of High Tunstall College of Science, about how and why we process their personal data in relation to CCTV.*

### Who are we?

High Tunstall College of Science is a 'Data Controller' as defined by Article 4 (7) of GDPR. This means that we determine the purposes for which, and the manner in which, your personal data is processed. We have a responsibility to you and your personal data and will only collect and use this in ways which are compliant with data protection legislation.

The college has appointed Veritau Ltd to be its Data Protection Officer (DPO). The role of the DPO is to ensure that the college is compliant with GDPR and to oversee data protection procedures. Veritau's contact details are:

**\*Please ensure you include the name of the college in all correspondence with the DPO**

### What information do we collect and why do we collect it?

By using CCTV systems, the college collects, stores, and uses static or moving images of individuals located in the surveillance area.

The college may be able to identify those individuals by using other existing information.

The college operates CCTV for the following purposes:

- for safeguarding children and to ensure the welfare of students, staff and visitors
- for the prevention and detection of crime to persons and property
- to maintain a safe environment.

Our lawful basis for processing your personal data is Article 6(1)(e) and 6(1)(f) respectively:

- 6(1)(e) - Processing is necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in the controller – Safeguarding children.
- 6(1)(f) - Processing is necessary for the purposes of legitimate interests - prevention and detection of crime.

### **Who has access to your personal data?**

Your information will only be made available to college employees where there is a need to investigate the recording. Only the colleges CCTV system authorised operators may have access to this footage.

### **Who do we share your personal data with?**

We will only share CCTV footage with other agencies where there is a lawful reason to do so - for example to share with the police for the purposes of identifying persons who have committed an offense or to assist in locating an absconding student.

### **How long do we keep your personal data for?**

The college will retain this data for 21 days.

### **Do you transfer my data outside of the UK?**

The information that the college holds is stored on our servers on site but backed up at One IT in Stockton-on-Tees within the UK.

### **What rights do you have over your data?**

Under GDPR, individuals have the following rights in relation to the processing of their personal data:

- to be informed about how we process your personal data. This notice fulfils this obligation,
- to request access to your personal data that we hold, and be provided with a copy of it,
- to request that your personal data is erased where there is no compelling reason for its continued processing.

If you have any concerns about the way we have handled your personal data or would like any further information, then please contact our DPO on the address provided above.

If we cannot resolve your concerns you may also complain to the Information Commissioner's Office (the Data Protection Regulator) about the way in which the college has handled your personal data. You can do so by contacting:
