

High Tunstall College of Science Curriculum Intent

Subject: Chemistry Year: 7

Thread 6—The Earth and Atmosphere

	Chemistry Thread 5	Progress		
Topic	Key ideas	R	A	G
Earth and Atmosphere	I can describe the structure of the Earth			
	I can describe the current composition of the Earth's atmosphere			
	I can explain how the atmosphere has changed over time			

Lesson	Learning Focus	Assessment	Key Words
1	How can we describe the structure of the Earth?	Completion of differentiated tasks	Structure, crust, mantle, core
2	What is the current composition of the atmosphere, and how has this changed?	Completion of appropriate levelled task to explain how the atmosphere has changed	Atmosphere, composition , gases
3	How do we use the Earth's resources?	Completion of settlement task	Resources
4	Retrieval	Formative assessment
