

## Student access to College on a morning

-  = Cycling access to College
  -  = Walking access to College
  -  = Access for those dropped off by car or after dropping bikes off
- To reduce foot traffic at the main gate during busy hours only students needing to access the bike shed will be expected to use the front gate via the lollypop man or roundabout.
- Those on foot will either enter via the entrance near the tennis courts or via the entrance up Elwick Road in front of the North Building.
- Students dropped off at the external Bus Stop behind the Tunstall Active and those going to the Shine Centre can enter by the main gate.

## Student exit from College at 3pm

↘ = Exit for cyclists going to the bike shed

↓ = Exit for students walking out of College

↙ = Exit for those picked up by car

To reduce foot traffic at the main gate during busy hours only students on bikes will be expected to use the front gate to go to the lollypop man or roundabout.

Those on foot will either exit near the tennis courts or by the exit up Elwick Road in front of the North Building. No one on foot will be expected to leave by the front gate or use the crossing there.

Students being picked up or retrieving bikes from the bike shed need to access the car park/bike shed using the walkway from PE down to the tennis courts.

After school, no students will use the main path alongside the car park which goes to the Tunstall Active Centre.
